Bernie,

We've had two calls from 6th Army Liaison Officers at Sacramento State Hq of State Military Forces offering to be of service in providing support for General Walters' visit on 5 May.

Col James Delk called on 15 April. Captain Tom Rodman called 21 April. I told Capt Rodman that General Walters did not need any direct support from them, that he would be staying in San Francisco and driving to Sacramento the morning of the 5th. I said that due to the expected large audience, we would have a security man get in touch with the local forces. I said I would also give our people Capt Rodman's phone no. and perhaps they would touch base with him.

Col Delk & Capt Rodman are in same office.

Dear Mr. Colby:

On May 5, 1976, over 1000 Kiwanians and their ladies, along with Key Clubbers, Circle K and Keywanettes (the youth of the Kiwanis Family) from all over our great State, will go to Sacramento, California for our annual "Day With Your Legislators." This is a well established program within our District.

These Kiwanians will be meeting with their various legislators both formally and informally during the morning. We will be taking the results of a poll of our 37,500 K Family members to our Governor and Legislators. This is expected to be the largest poll ever undertaken in our State by any group (as far as we know) on several vital issues of the day.

The main affair is a luncheon when we sit down with our Legislators as our guests. And that is precisely the point of this letter. We want you to be our guest speaker at that occasion!!

We recognize it is several months away to May 5, 1976. We also realize we want to get our invitation in well in advance so as to be first in line.

Therefore, please carefully consider this invitation and respond with a "yes" which may be subject to your further consideration. May I assure you a warm welcome on our part with attentive and appreciative ears.

Mr. Hugh D. Morgan, Chairman, Public and Business Affairs Committee, 3030 Telegraph Ave., Berkeley, California 94705, 415/845-2132, will be our person in charge and will do the follow-up with you so as to assure a smooth and complete affair. Please accept.

INTERNATIONAL PRESIDENT VISITS DISTRICT MAY 1**California's 1976 Day With Legislators**

California Kiwanians will hear one of the nation's most-sought-after speakers and take results of a state-wide poll to state officials when they go to Sacramento for their 1976 Day With Your Legislators, on May 5.

Luncheon speaker Lieutenant General Vernon A. Walters, is Deputy Director of the Central Intelligence Agency, Washington, D.C. More than 700 are expected to attend the luncheon, including guests of Kiwanis clubs who are inviting their local officials.

In response to District Governor Mort Freedman's concern for Kiwanis participation and a desire that this day would be meaningful and productive, the Public and Business Affairs committee is conducting a state-wide poll. The poll, based on an idea by Bob Mihalisin, will show legislators how Kiwanians feel about 10 of the most burning issues of 1976.

Other actions: Lt. Governor Manny Perez, with help from Bill Tully, Hersh Erwing and Lt. Governors around Los Angeles are working on special plane loads from that area; Lt. Governor Ted Teach is looking at the possibility of special buses from the Eureka area; Earl Robinson is doing the same from South Lake Tahoe; Bob Pope and Ken Forror, M.D., are working on special plane-loads from San Diego area.

Kiwanians from clubs in and around Sacramento plan to meet planes and provide local transportation.

Lieutenant General Vernon A. Walters, Deputy Director of Central Intelligence since May, 1972, will be luncheon speaker for California's "A Day With Your Legislators" at Sacramento, May 5. He began his career in Military Intelligence in May, 1941.

Ted and Della Osborn will make their official visit to the Cal-Nev-Ha District May 1. Ted is the first former member of the Kiwanis sponsored high school organization, Key Club International to become President of Kiwanis International. He has served as secretary and governor of the Kentucky-Tennessee Kiwanis District, and served as President of the Kiwanis Club of The Blue Grass. Ted has served a long list of organizations as member of the Board, and President, locally, regionally and nationally.

A banner patch like this can be earned by Kiwanis Clubs which submit their reports on completed President's Projects. Reports on service projects which have never been carried out before by the club, should be sent in as soon as possible to Kiwanis International, 101 E. Erie St., Chicago, Illinois.

Resolutions Deadline

Deadline for submitting proposed Resolutions for Consideration at the Kiwanis International Convention, San Diego, is April 21. Resolutions should be on national or international concerns and are submitted by a club or a district.

A highlight of any administrative year is the official visit of a Kiwanis International President. This year's visit by Ted and Della Osborn to the California-Nevada-Hawaii District will be May 1, when a luncheon will attract more than 700 Kiwanians and their ladies, from all three states, to Goodman Hall in world-famous Jack London Square, Oakland, California.

The 33-person power committee, most of whom are lieutenant governors, invites Kiwanians to join with District Governor Mort Freedman and Fran to welcome Ted and Della. Chairman for the event is Hugh Morgan.

The lively, interesting and stirring luncheon program will be kept moving by District Governor Elect Ed Novak, Jr., M.D., Master of Ceremonies.

Luncheon cost is \$8.50 and tickets will be available through Lieutenant Governors and District Office.

For those who wish to couple a weekend in the fabulous bay area with the visit by Ted and Della, hotel accommodations are available at the Boatel, across the street from Goodman Hall, and at nearby Thunderbird Motel. The Boatel in Jack London Square has been designated the headquarters motel and 60 rooms have been reserved at \$23.00 per room. Reservations should be made through the District Office.

Make up a travel pool, join in this great occasion and pick up inter-club credit.

America's Bicentennial

(Written in 1975 for
America's 200th Anniversary)

America's bicentennial is approaching,

It brings patriotic pride.

*If we read our moving history we know
That patriotism is justified.*

*Tho we know our country is not perfect
Still we'll stand beside her*

*For she's just as good and just as bad
As the men who guide her.*

*The colonists built a great democracy,
The greatest ever known.
Made Old Glory with stars and stripes,
The most beautiful ever flown.*

*That elegant flag stands for our country,
A country by freedom blest.*

*Then America opened her doors in pity
To the world's hungry, oppressed.*

*So, I pledge my allegiance to America,
A democracy supreme,
Here is freedom to worship as we please,
Freedom to plan and dream.*

*And here I'm a part of the government,
As I pass along life's road*

*I vote, serve in office or on the jury—
Help to carry the common load.*

*For this is my country, and it's my life,
It is my great concern;
For it's here I work and here I rest,
This is where I earn.*

*God give me wisdom to serve my country,
The great land of my birth,
For America's my hope, my pride and joy,
The greatest land on earth.*

—Jay Browning

93-Year Old G. Nacon joins others over 65 in doing the rock at the fourth annual Senior Citizens Valentine Ball sponsored by the Kiwanis Club of East Hawaii. The County of Hawaii Parks and Recreation Department and the Hilo Hotel management cooperated in staging the event which Kiwanian Hiroshi Seto labeled "one of our most touching moments in Kiwanis work."

Scanner to ARC

Division 25 of Kiwanis International, in keeping with their Bicentennial Theme of "The Volunteer and the Nation," presented a scanning monitor radio to the American National Red Cross, Los Angeles Chapter, San Fernando Valley District.

The radio will be used in Red Cross headquarters to help serve surrounding communities and provide efficient and early response by Disaster Service volunteers.

The 13 Kiwanis clubs in Division 25, at the request of H. C. Mathers of the Van Nuys club, contributed funds.

H. Governor Richard W. Cronon of Division 25 emphasizes that Kiwanis recognition of The Volunteer and The Nation is in the solid traditions that made our nation great.

Crippled Children's Camp Costanoan Opens Doors

Camp Costanoan will open its doors to handicapped children and adults for two weeks of fun and adventure on June 20. However, there are hundreds of children in need of camperships.

The Cal-Nev-Ha Foundation voted to establish a Kiwanis Campership Fund for Camp Costanoan, located in Cupertino, California. The Camp is owned and operated by the Crippled Children's Society.

Kiwanis clubs can sponsor a handicapped child to Camp Costanoan one of these three ways: (1) Sponsor a campership which costs \$225. The C. C. S. will reply to each club and give a short background on the child sponsored; (2) A club may sponsor a child from their immediate area (send a letter telling about the child); (3) a partial campership may be sent to Kiwanis Camp Costanoan Campership Fund, c/o Kiwanis Cal-Nev-Ha Foundation, 8000 Capwell Drive, Oakland, CA 94621. All camperships should be sent by June 1.

To better serve youth, committee members of the Kiwanis Club of Surf City meet to lay out the work and discuss details for club participation in the Halloran Hall project in Aptos. The aim is to provide home-like surroundings and a recreation hall for young people 14-18 who might otherwise be placed in juvenile hall. Left to right are Reynold Bean, associate director of Halloran Hall, and Surf City Kiwanians; Dan Casolari, past president; Mel Feltner, 1975-76 president; and Bob Brooke, president elect.

Memo From Mort**TO BE A BUILDER**

*We Build.
Build with the
Basics.
Be a Builder with
me... the best is
yet to be.*

The top motto, We Build, you can easily recognize as our Kiwanis maxim.

which was adopted by the Kiwanis International Board in 1920 and announced as being chosen "to distinguish its members from the restless horde who, in these times of reconstruction, are iconoclastic in their tendencies, striving to pull down the existing order of things."

Next, our District theme, Build With the Basics, is patterned after the principles that made America such a great and free nation. Those basic precepts of devotion to God and Nation, Fellowship with our fellow citizens that made work for a common belief more meaningful and service to country, state and community by every worthy citizen for the common good.

Finally, Be a Builder With Me... if we are to retain a vision of greatness in Kiwanis our focus must be on how far we can progress toward our potential rather than an agreed upon standard of normal progress.

Each one contains the word BUILD. We as Kiwanians are dedicated to building better communities, state, nation and world through our programs of service. Kiwanis is a group of men who are concerned about youth and give of their time, energy and money to help boys and girls grow into responsible adults.

Webster's dictionary defines BUILD "as to establish, increase and strengthen." With one-half of this administrative year now in the record books, our largest BUILDING months are ahead of us. NOW is the opportunity to introduce that man into Kiwanis that you have considered; to sponsor and organize a new Kiwanis Club in another area; and to BUILD a new Key Club, Builders Club, Circle K, or Keywanette for our youth.

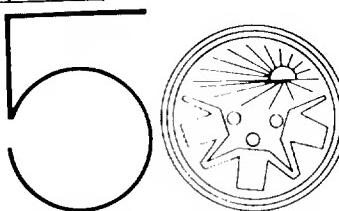

Kiwanis life line is increased and strengthened through new members and new clubs. Will you join with me TO BUILD WITH THE BASICS and BE A BUILDER WITH ME... THE BEST IS YET TO BE!

Pack-Up Time Nears For 61st Convention, San Diego, June 20-23

Almost before we realize it . . . it will be time to pack up and head for San Diego. Time for the 61st International Convention is fast approaching for Kiwanians and their families. The exhibit hall of the Community Concourse will serve as the site for convention registration, credentials, club clinic and the "Meetin' House." Registration will open at noon, June 19.

Kiwanians realize there is great inspiration to be found in an international convention, along with education and motivation and just plain good times for the whole family.

1976 Incentive Plan

The convention committee has added to this an incentive plan to help Kiwanis leaders encourage attendance and have fun at the same time. The plan is a simple one; each club need only register a percentage of its membership, based on its distance from San Diego. Like this:

Host Divisions: 11, 21, 31, 37 (except the five clubs in Imperial County) — 100%; Los Angeles and Vicinity (Divisions 1, 3, 4, 6, 10, 13, 15, 16, 19, 25, 30, 35, 36, 41, plus the five clubs in Imperial County) — 50%

Central Coast and Valley and Bay Area (Divisions 2, 5, 12, 17, 24, 26, 27, 34, 40, 43, 46) — 12%

Northern California, Nevada and Hawaii (Divisions 7, 8, 14, 20, 22, 23, 32, 39, 44, 45) — 6%

Any club which registers 100% of its membership gets a special 100% banner emblem.

In all other categories, a club making its quota gets an International Convention attendance banner emblem. For example a club in the Los Angeles area, with a membership of 40 (certified as of 9/30/75) must register 20 people -- this can be 10 Kiwanians plus their wives. A club in Hawaii, with 30 members, must register two people -- which can be a Kiwanian and his lady.

Division Quotas

For Divisions, each Lt. Governor has been assigned a quota based on the club percentages. In order to win a personalized banner emblem (Lt. Governor's name and year) for the Division Banner, a Division must make this quota plus having every club registered at the Convention.

So far, the committee reports, response has been terrific. We are on the way toward having the largest registration ever to attend a Kiwanis International Convention.

And — Great Speakers!

Along with the excitement and fun of meeting in San Diego, some really great speakers, lined up for the 61st Annual Convention, will be listed in the May Cal-Nev-Ha.

Tribute to Law

A tribute to local Law Enforcement and the News Media was the theme of the Second Annual Anniversary and Awards Appreciation banquet of the Kiwanis Club of Shaw Avenue, according to Club President Eugene Junette. Awards for "outstanding participation in youth oriented programs," were given to television and radio stations and to various newspapers in the Fresno area.

President's Corner

March and April brings us to the halfway point of our Kiwanis year. It's a good time for each of us to evaluate our personnel, committee functioning, and to look ahead to the months remaining in our term. Many of the goals we have set for ourselves have either been accomplished or are in the process of slipping away. It's so easy to just let things continue as they are, or we can really make a second effort to achieve our goals.

Many of us are frustrated about the lack of follow-through by some of our committee chairmen. Each club president faces this situation, and there is really only one answer. As the leader of your club, you must confront personally any committee chairman who is not doing his job. Explain the situation and give him the opportunity to step aside so that new leadership can be chosen and projects of service for your community can be implemented.

The middle of the Kiwanis year is an important time to renew our emphasis on membership development. Keep the pressure on your club to ask new men to join Kiwanis. As president, you will want to leave the presidency having been able to see a membership growth rather than a decline.

Speaking of leaving the presidency, it's time to choose your nominating committee and select officers for the year ahead. Give that nominating committee specific guidelines to follow in their selection of prospective officers: (1) a member's understanding of Kiwanis; (2) a desire to serve the club in a position of leadership; (3) background, training, and personal qualities of leadership; (4) available time and the energy required to perform the task; (5) desire to accept responsibility; (6) willingness to work with others; (7) ability to visualize the task; (8) the vision to accept his role as a part of the total club. If your nominating committee will insist on these guidelines, you will ensure your club of good leadership for the future.

Secretary's Corner

Please be sure your club holds its annual meeting and election for 1976-77 officers between the first meeting in April and the second meeting in May.

Most important, Mr. Secretary — please complete and file your 1976-77 Annual Report of club election immediately following your election of officers. These forms were mailed to you from Kiwanis International.

Semi-Annual Membership Statements

Mr. Secretary, you have received your Semi-Annual Membership statement and billing from Kiwanis International. Please make the necessary corrections and mail the pink copy to the District Office immediately with the self-billing statement and check.

San Diego Credentials

Club secretaries are urged to submit Convention Registration forms as soon as possible. Be sure to register non-delegates as well as official club delegates at the same time to insure that all those attending from the same club will be housed in the same hotel. The Certificate of Election of Delegates and Alternates forms were sent to club secretaries in March. Registration of a club delegate does not certify him as an official voting delegate — the Certificate of Election of Delegates and Alternates form must be completed and returned to Kiwanis International.

Completed forms and all inquiries concerning the San Diego Convention are to be sent to: Convention Department, Kiwanis International, 101 East Erie St., Chicago, Illinois 60611.

We are expecting over 500 clubs to register delegates for the International Convention in San Diego. Unless your club's International obligations are paid your delegates will not and cannot receive their credentials and be seated in the House of Delegates. I suggest all delegates check with their club secretary to be sure the club's International obligations are paid for October 1, 1975, and March 31, 1976.

Bicentennial Jacket Patches

We have a limited number of Bicentennial Jacket Patches on sale in the District Office at a cost of \$5.00 — first come, first served.

DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE
WASHINGTON, D. C.

14 May 1976

Dear Bert,

Many thanks for taking the trouble to write me the note. I greatly appreciate it. It is very encouraging to hear from those who are as I described them "our only hope for tomorrow" namely the young people of America, especially those like you who have achieved a position of leadership.

With every good wish to you for happiness and success.

Faultless.

Dear Mr. Walters;

My name is Bert Crawford and I heard your speech at a legislative luncheon on Wednesday, May 5, at the Senator Hotel, in Sacramento.

I was greatly impressed by what you said and how you said it! I have found that most of the politicians I talked to never were really "straight" with me. By that I mean they never treated me as a person with intelligence, (Oops wrong word) and a personality. I was very disappointed with the people I met up there, until you spoke. Your speech gave me a charge of patriotism and a deep feeling of peace knowing that people like you are running this country.

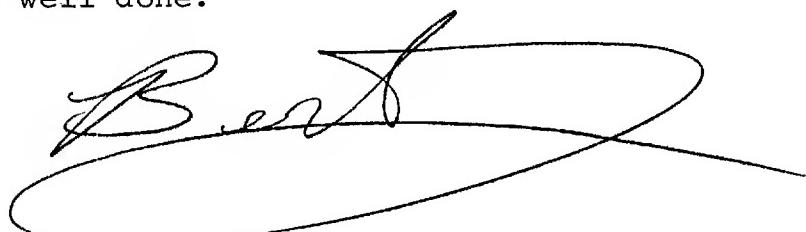

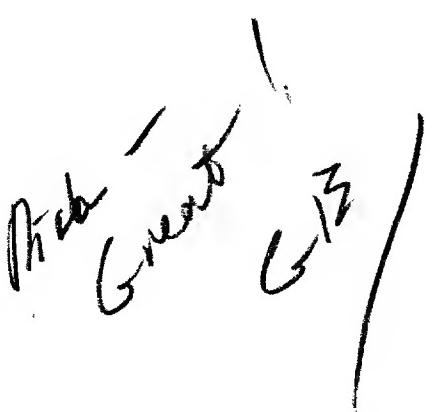

If there is anything I can do for you please let me know.

Thanks again and God Bless,

Bert Crawford

Tell everyone in the agency I personally say "par excellence" and commend you and your staff for a job well done.

Dear Mr. Thuermer:

I have recently concluded participation in our 4 Midwinter Conferences in this District of Kiwanis International and found considerable interest for our forthcoming visit and address on May 5, 1976 by Lieutenant General Vernon A. Walters in Sacramento. I was in Sacramento yesterday and found even more in our State Capitol. While it is impossible to correctly predict, at this time, the exact number in attendance at noon in the Senator Hotel, Sacramento, we are still hopeful for some 1000 persons. I feel confident we will top our previous high mark, and especially that of our Legislators.

Please refer to my last letter and my request for the pertinent information as to the arrival, transportation, housing, etc. connected with his highly anticipated visit. Also, if there are news releases, quotes from his speech, and/or other publicity matter, please forward at your earliest convenience.

Again, kindly accept our gratitude for making all this possible.

Sincerely,

Hugh D. Morgan
